## Motoring Offences- Driving Licence Penalty Points (DLP's)

As with convictions for other offences, the Council shall decide whether a motoring offence(s) indicates that someone is not a fit and proper person to be granted a licence, or to continue to hold a licence. These guidelines will be used to inform that decision.

Both the total number of points currently on a licence, and the nature of the offence(s) involved will be taken into consideration.

When a person is disqualified from driving, a licence will be refused / revoked; the length of time a refusal / revocation will be enforced will be determined by the length of the disqualification and the nature of the offence(s) contributing to the disqualification.

With respect to applicants who have no current penalty points but have a history of repeat offending, consideration will be given to refusal / revocation.
